1. What is your district doing to help community members participate in the 2020 Census?
2. Have you considered holding information nights? What would it take to plan these events?
3. Are your teachers utilizing the Statistics in Schools lesson plans?
4. What is your plan for co-branding with the 2020 Census logo?
5. Have you reached out to a community complete count committee member?
6. Will you make sure to view the live feature on reporting updates when it is made available on March 20, 2020?
